

Summary:

User unable to schedule a VideoCare appointment for today's date. The message "Next available: -Today's date-" is shown. While user clicks on the message, the section refreshes and the message reappears.

Steps to reproduce:

1. Navigate to <https://www.zoomcare.com/schedule>
2. Press "Want care in X" and choose "Denver, CO"
3. Press on "VideoCare" button
4. Press on "Next available: -Today's date-"

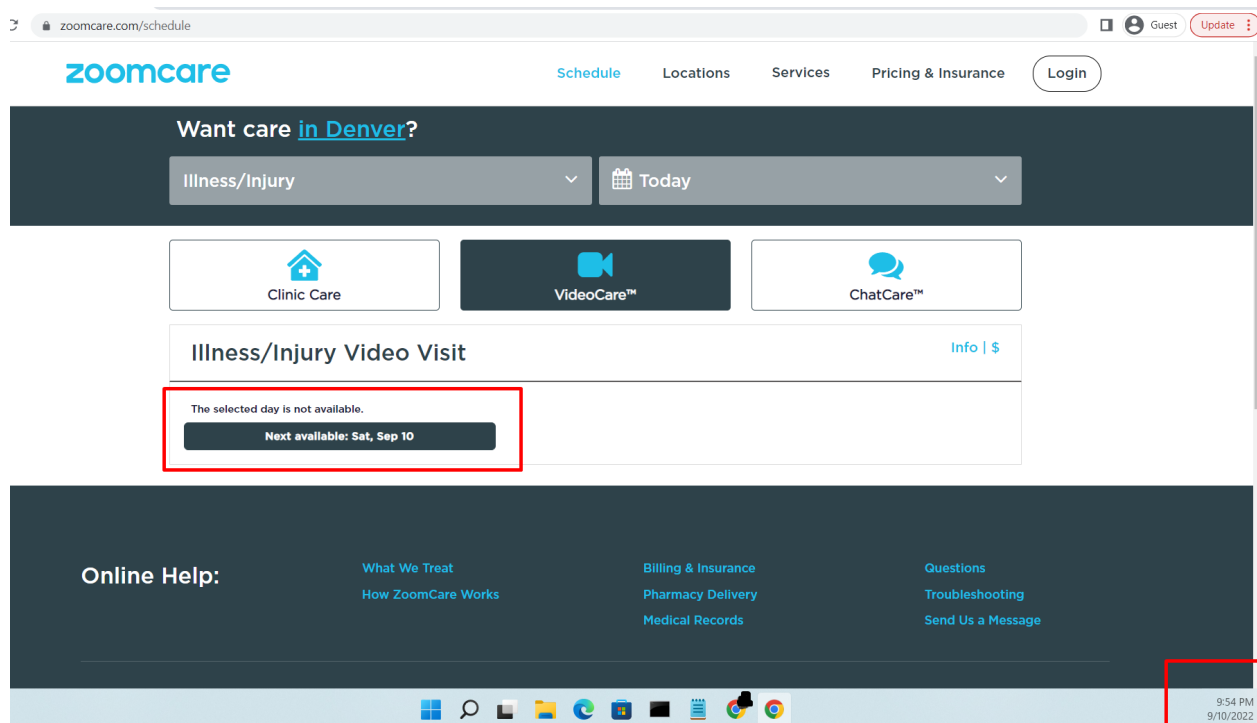

Expected result:

Available appointment windows should appear or the message "Next available: -Next available date-" should appear

Actual result:

No appointment windows are shown to the user, and the message "Next available: -Today's date-" is displayed.
